

Happy new year to you all.

Please find attached list of project topics advertised by the department for 2019/20 session. A student interested in any of these topics should prepare a brief proposal on how to achieve the goal(s) of the project of interest. The proposal should not be less than five pages and not more than ten pages. You are free to submit proposal for up to two topics.

The proposal should include the following:

- Short introduction,
- Problem Statement,
- Aims and Objectives, and
- Proposed methodology.

Submission of hardcopy of the proposal is due on the 3rd of February 2020. Please ensure you register for project before the due date, as students will be distributed to supervisors that week.

Thank you for your cooperation.
